

Some time ago the CT MINI and CT MIDI hose garages were changed to the new T-LOC design

This change has meant that the original hose garage is no longer available as a spare part

If the original CT-MINI and CT-MIDI require a hose garage replacement a kit must be used to convert to the new T-LOC design

Hose garage P/No **456056, 471127, 499741** to suit original Systainers is no longer available

To modify the old CT-MINI and CT-MIDI to the new T-LOC hose garage a kit must be used P/No **499748** the kit comprises of

- 1 x Housing P/No 499906
- 1 x Hose garage T-LOC P/No 500118
- 4 x Screws P/No 474911
