

**FESTOOL**

Catalogue **2018**

Tools for the toughest demands

## Dear Festool customers,

Every innovation in the Festool system is made with just one goal in mind: making it as easy as possible for you to achieve perfect work results. With products that impress you with their extreme sturdiness, reliability and ease of use, while at the same time thrilling you with well-thought-out functions and high working comfort.

In our 2018 catalogue, we've added a few real highlights to the system. First and foremost, the first cordless compact sanders worthy of the name Festool – with high rates of abrasion and unbeatable freedom of movement. Our new PLANEX easy long-reach sander also makes your work easier, with its minimal weight and extreme durability. So too the smooth suction hose that glides easily around corners and over edges.

You'll find these and other innovations for easy and efficient work on the following pages. Accompanying them as ever: our SERVICE all-inclusive, which makes your work easier just as much as our tools do. I wish you much enjoyment in reading our new catalogue and many hours of successful work with the Festool system.

Warm regards,

A handwritten signature in black ink, appearing to read 'Bar Austel'. The signature is fluid and cursive.

Barbara Austel  
Executive partner and granddaughter of the company's founder, Gottlieb Stoll

# Good ideas for even more efficiency: Festool's new products for 2018.

**Really clean up: innovative details for the easiest dust extraction ever.**

**Simply smart design:** optimised SYS-Dock with cord holder and T-LOC function for convenient connection of the SYSTAINER to the mobile dust extractor.

**Simply smooth:** the new suction hose for perfect gliding over edges, improved handling and longer life. With new CLEANTEC suction coupling sleeve for a secure connection to the tool.

**Made easy by remote control:** individual retrofit with Bluetooth module for remote operation via remote control on the suction hose or Bluetooth battery pack when working with Festool cordless tools.

>> Page 183

**Greater freedom of movement for better sanding.**

The new cordless compact sanders RTSC 400, DTSC 400 and ETSC 125 give you cordless freedom with plugged-in performance – wherever you go.

>> Page 88

**The perfect solution for work on materials that generate a lot of dust.**

Granat Net with mesh structure for full-surface dust extraction.

>> Page 151

**Now even better.**

MULTI-JETSTREAM 2 with improved dust capture and longer sanding pad lifetime.

>> Page 151

**For perfect surfaces in one go.**

With the SYSLITE STL 450 highlight, you can spot points of unevenness immediately, so you can reach that perfect result faster.

>> Page 390

**Plasterboard work has never been simpler.**

Simple handling, durable, light and clean – the PLANEX easy long-reach sander and the special dust extractor with AUTOCLEAN are an unbeatable team for top results!

>> Page 115

# Our responsibility does not end with the quality of the tool.

We're constantly thinking about how we can make life easier for you. With perfectly engineered tools – and also with services that are specifically geared to the requirements of your everyday work. You want and need to avoid downtime, unnecessary work and additional costs as much as possible. We understand that, and that's why we want to do our bit with our SERVICE all-inclusive. The success of our customers means a great deal to us.

Register online up to 30 days after purchase to secure your access to all service benefits!

[www.festool.com.au/SAI](http://www.festool.com.au/SAI)

**36 month comprehensive warranty.\***

Enjoy peace of mind with your tool purchase with Festool 36 month comprehensive warranty after registering your tool.

**Rapid repair service.**

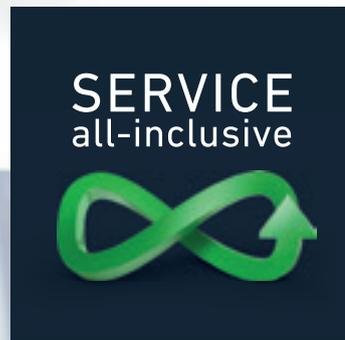

Efficient servicing of your tools guaranteed! Get back to work faster with Festool Australia's rapid repair service.

**10-year spare part guarantee.**

We will hold every spare part for your tool in stock for at least this long. If, in exceptional cases, a spare part is not available, we will send you a new replacement tool free of charge.

**30 days risk-free trial.**

Not entirely satisfied with the tool you purchased? Simply return it to your dealer within 30 days of purchase and they will refund you the purchase price.

You can find more information about SERVICE all-inclusive, its terms and conditions and validity online at [www.festool.com.au/sai](http://www.festool.com.au/sai)

SERVICE all-inclusive is valid for all power tools purchased after 2 April 2013 and registered within 30 days of purchase.

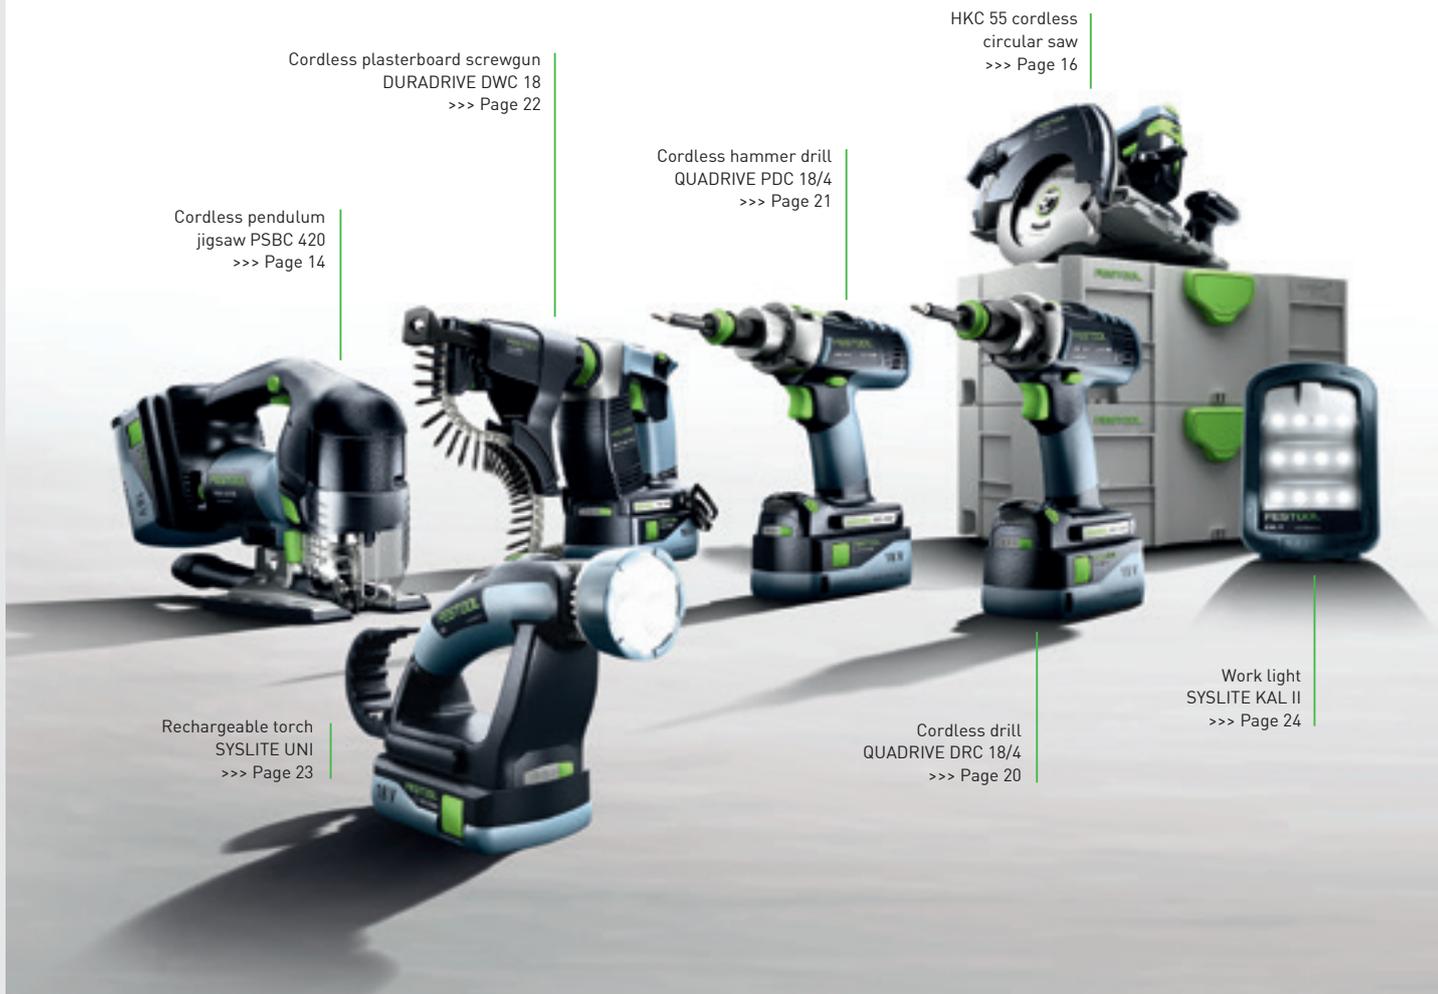

\* The Festool limited 36 month warranty covers defects in materials and workmanship on the pre-condition that the tool is used and operated in compliance with the Festool operating instructions. For exclusions see [www.festool.com.au/sai](http://www.festool.com.au/sai)

## Greater stamina.

High-current resistant cells ensure a long service life.

Everything in Festool tools is top quality – including the high-current resistant battery cells. The cells will effortlessly withstand even heavy loading such as sawing work, for years – as proven by the quality check performed on the cell technology.

\* Test result during quality check in Festool laboratory, from discharge tests at maximum load

## 18 volt system

### CARVEX PSC 420 and PSBC 420 cordless pendulum jigsaws

product  
design  
award  
2010 gold

Brushless EC-TEC motor  
for a long service life and  
high efficiency

## CARVEX PSC / PSBC 420

### The cordless version of the CARVEX – cordless freedom with plugged-in performance.

- ▶ Excellent behaviour in curves thanks to threefold saw blade guide and rigid lifter rod
- ▶ Simple handling thanks to the softgrip and ergonomic design
- ▶ El. switch-on/off on both sides reachable in every grip pos.
- ▶ Fast, tool-free changing of tables, baseplates and saw blades

Technical data	PSC 420	PSBC 420
Battery voltage (V)	18	18
Stroke rate (min <sup>-1</sup> )	1.500 – 3.800	1.000 – 3.800
Pendulum cover adjustment in stages	4	4
Cutting depth in wood (mm)	120	120
Cutting depth in NF metals (mm)	20	20
Cutting depth in steel (soft) (mm)	10	10
Lithium-ion battery capacity (Ah)	5,2	5,2
weight (kg)	2,4	2,4

■ = MMC digital electronics

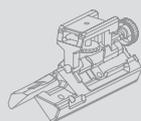

### Easy to manage and mobile.

The CARVEX PSC 420 and PSBC 420 follow every move. With millimetre precision. The pendulum jigsaws in the hand are extremely light and intuitive to operate. 3,800 strokes per minute ensure overwhelming force on straight lines when working.

## 18 volt system

### Cordless drill QUADRIVE DRC 18/4

Brushless EC-TEC motor  
for a long service life and  
high efficiency

# QUADRIVE DRC 18/4

### Compact with powerful torque.

- ▶ Brushless EC motor for maximum service life, extremely efficient
- ▶ 4-speed gearbox capable of 3800 rpm for rapid, clean drilling results
- ▶ The all-purpose solution for high-torque screwdriving and drilling with large diameters.
- ▶ Independently activated LED lighting and a battery charge indicator.

#### Technical data

Battery voltage (V)	18
Gears	4
No-load speed, 1st gear/2nd gear (min <sup>-1</sup> )	0 – 400/0 – 850
No-load speed, 3rd/4th gear (min <sup>-1</sup> )	0 – 1.850/0 – 3.800
Max. torque, wood/steel (Nm)	40/60
Drilling Ø (wood/steel) (mm)	50/13
Chuck range (mm)	1,5 – 13
Lithium-ion battery capacity (Ah)	5,2
Weight with Li Ion battery pack (kg)	1,9

□ = Electronic

### Sturdy and mobile.

60 Nm torque in 1st gear for powerful screw-driving, 3800 rpm in 4th gear for precise drilling; also long-lasting and extremely tough. Whether for wood or metal, everyone who uses the QUADRIVE series loves it, with its combination of unstoppable force and absolute precision. Plus a FastFix interface for quick, no-tools attachment of a CENTROTEC chuck, keyless chuck, angle attachment or socket adapter.

#### Scope of delivery

CENTROTEC chuck, CENTROTEC screwdriver bit holder, FastFix keyless chuck 13 mm, bit PZ 2, additional side handle, in SYSTEMAINER SYS 2 DF T-LOC

#### Order no.

Brushless EC-TEC motor  
for a long service life and  
high efficiency

## QUADRIVE PDC 18/4

### The all-rounder with impact force.

- ▶ Brushless EC motor for maximum service life, extremely efficient
- ▶ EC-TEC motor combined with high-quality lithium-ion battery technology for up to 100% greater fastening capacity
- ▶ 4-speed gearbox capable of 3800 rpm for rapid, clean drilling results
- ▶ Independently activated LED lighting and a battery charge indicator.

#### Technical data

Battery voltage (V)	18
Gears	4
No-load speed, 1st gear/2nd gear (min <sup>-1</sup> )	0 – 400/0 – 850
No-load speed, 3rd/4th gear (min <sup>-1</sup> )	0 – 1.850/0 – 3.800
Max. impact rate (min <sup>-1</sup> )	76.000
Max. torque, wood/steel (Nm)	40/60
Drilling Ø (wood/steel) (mm)	50/13
Drilling diameter in brickwork (mm)	10
Chuck range (mm)	1,5 – 13
Lithium-ion battery capacity (Ah)	5,2
Weight with Li Ion battery pack (kg)	2

■ = Electronic

#### Scope of delivery

CENTROTEC chuck, CENTROTEC screwdriver bit holder, FastFix keyless chuck 13 mm, bit PZ 2, additional side handle, in SYSTAINER SYS 2 DF T-LOC

#### Order no.

### Powerful and mobile.

Like the QUADRIVE DRC 18/4, the QUADRIVE PDC 18/4 offers all the special features and ingenious functions, plus the option of axial impact for drilling in masonry.

## 18 volt system

Cordless plasterboard screwgun  
DURADRIVE DWC 18

Brushless EC-TEC motor  
for a long service life and  
high efficiency

# DURADRIVE DWC 18

### The cordless specialist for plasterboard construction.

- ▶ Precise electronic shutdown without wear for the correct screw depth and long service life
- ▶ Energy-saving function for machine start/stop without actuating the main switch
- ▶ Long-life, brushless EC motor for extremely high efficiency and endurance
- ▶ Quick, tool-free switchover to the magazine attachment

Technical data	DW 18-4500 Plus	DW 18-4500 Compact
Battery voltage [V]	18	18
Gears	1	1
No-load speed [min <sup>-1</sup> ]	0 – 4.500	0 – 4.500
Max. torque, wood/steel (Nm)	5/14	5/14
Max. machinable screw length (mm)	55	55
Bit holder	1/4"	1/4"
Lithium-ion battery capacity [Ah]	5,2	3,1
Weight with depth stop (kg)	1,9	1,6
Weight with magazine attachment (kg)	2,3	2

■ = Electronic

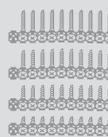

Scope of delivery	Order no.
magazine attachment, depth stop, scaffold hook, magnetic bit holder, 2 x bit PH2, long, Phillips bit PH 2, belt clip, in SYSTAINER SYS 2 T-LOC

### Innovative and mobile.

The DURADRIVE DWC 18 allows you to make series screw connections comfortably and as efficiently as possible. The innovative stop-and-go function ensures up to 40% higher performance per battery charge.

## SYSLITE UNI

**Lighting your way.**

- ▶ Three powerful, energy-saving high-performance LEDs
- ▶ Torch head can be adjusted vertically in nine increments up to 135°
- ▶ Stable and secure against overturning and can be flexibly secured with belt clip and scaffold hook

**Technical data**

Battery voltage (V)	10,8/18
Lamp	3 SMD LEDs
Lumens (lm)	43
Weight (without battery pack) (kg)	0,34

**Scope of delivery**

**SYSLITE UNI**  
scaffold hook, without charger, battery pack not included,  
in self-service display pack

**Order no.**

769079

**Compact and mobile.**

The handy SYSLITE UNI is always at the ready when you need to bring light into dark corners. With its low weight and compact form, it's always a welcome sight. Takes all common Festool batteries.

You can find the full Festool lighting range from page 384

technology from page 10**

## 18 volt system

### Work light SYSLITE KAL II

product  
design award

2012

## SYSLITE KAL II

### Bright and mobile.

Stand it up or hang it up, in five different positions: the SYSLITE KAL II lights up the darkest of corners for up to 6 hours non-stop. Its casing is made from shatter-proof, shock-proof and impact-resistant cast aluminium – tough enough for any work site. The wide beam angle of 170° lights up the working surface evenly over a wide area.

### Lighting your way.

- ▶ Different charging options for the internal 7.2V battery to ensure maximum readiness for use
- ▶ Extremely wide beam angle of 170°
- ▶ Long-life and hard-wearing due to impact-resistant enclosure
- ▶ Compact design – flexible positioning without trip hazards from cables

#### Technical data

Lamp (W)	12 x 1,5
Lumens, 1st/2nd level (lm)	310/769
Burn time (internal battery), level 1/level 2 (min)	90/240
Lithium-ion battery capacity (Ah)	2,9
Charging time Li Ion battery pack (min)	200
Rated temperature range for operation (°C)	-5/+ 55
Operation with external Festool battery packs (V)	10,8 – 18
Hook opening (mm)	40
Thread size, stand (")	1/4
dimension [L x W x H] (mm)	80 x 100 x 150
Weight (without battery pack) (kg)	0,7

#### Scope of delivery

##### KAL II-Set AUS

integrated lithium-ion battery 7.2 V, car battery charger, battery charger 230 V, magnetic spherical head with stand plate, carry bag, in self-service display pack

#### Order no.

500733

You can find the full Festool lighting range from page 384

#### Battery and charging technology from page 10

## Perfect sound, in a perfect package. Now also in a DAB+ model.

- ▶ Versatile reception and playback options via Bluetooth and AUX-IN jack – available as analog or digital radio
- ▶ Integrated USB port for charging external devices such as mobile devices (BR 10 DAB+)
- ▶ Outstanding sound in a compact, modern and rugged design
- ▶ Intuitive operation with large buttons and colour LCD display

Technical data	BR10 DAB+	BR 10
Radio reception	DAB+ digital radio	FM analog radio
FM frequency band (VHF) (MHz)	87,5 – 108	87,5 – 108
Speaker (W)	10	10
Operation with Festool push-in battery packs (V)	18	18
Number of stored stations	2 x 4	4
Aux-in socket (mm)	3,5	3,5
Bluetooth standard	4,1	4,1
USB output	5V/1,2A	–
dimension (L x W x H) (mm)	95 x 102 x 149	94 x 102 x 149
weight (kg)	0,7	0,7

Scope of delivery	Order no.
battery charger 230 V, aux-in cable, in bag	
<b>BR10 DAB+ AUS</b> DAB+ digital radio	<b>202113</b>
<b>BR 10 AUS</b> FM analog radio	<b>200186</b>

## Powerful and mobile.

The SYSROCK site radios fit on any window-sill and combine compact dimensions and low weight with a perfect sound. And thanks to the Bluetooth interface, you can listen to not only your favourite radio stations, but also the great songs on your smartphone in SYSROCK-quality sound.
